***Linda S. Parenti, CFA***  
***President & Chief Investment Strategist***

Linda is President and Chief Investment Strategist for Buckingham Capital Management, Inc. Buckingham Capital Management is a registered investment advisory firm located in Centerville, Ohio managing over \$430 million in assets for primarily private client portfolios. Using their own in-house, proprietary research and security analysis, they implement strategic and tactical asset allocation strategies emphasizing sector diversification and individual security selection for their client portfolios.

Linda earned her B.S. in Finance in 1982 and an M.B.A. in 1987, both from the University of Dayton. Since 1994, she has also held the Chartered Financial Analyst® designation. Linda brings to BCM's clients over 30 years of experience in securities and market research with a specific focus on managing portfolios for personal clients.

Her community involvement includes serving on the Chaminade-Julienne High School Financial Advisory Council, as well as contributing her time serving the University of Dayton as a member of the Economics and Finance Advisory Council and the Flyer Investments Advisory Board. Linda's prior experience also includes teaching finance as an adjunct professor for the University of Dayton.

As Chief Investment Strategist, Linda continually studies the global economic and financial market landscapes, setting the investment direction for BCM's strategic and tactical asset allocations.
